

Every student is an active disciple of Christ, passionately seeking, serving, loving, leading, and reaching others for today, tomorrow, and eternity (Vision Statement).

Quinte Region Christian Schools offers enhanced Christian education, based on the truth of the Bible, to equip and challenge our students to be disciples of Christ in an ever-changing world (Mission Statement).

The graduate profile helps us live out our vision and mission by providing definitions of what it means to be a disciple (head), why we have discipleship habits (heart), and how we practice being a disciple (hands).

Explore (Head) → Desire (Heart) → Practise (Hands)
