

## Quinte Region Christian Schools VOLUNTEER APPLICATION

Thank you for offering your time, gifts, and talents to the students and staff at Quinte Region Christian Schools. Our school is unique and richly blessed by the tremendous amount of parent and community involvement. Much of what we do as a school could not be accomplished without the support of our volunteers. QRCS has many opportunities for parents and community members to volunteer, such as serving on a committee or the board, coaching a team sport, driving and chaperoning for school trips, assisting with fundraising, helping in the office, baking for community events such as membership meetings, and many others.
